FR Dritex Rainwear is 100% waterproof, plus flame and arc resistant for workers exposed to energized environments. FR Dritex Rainwear passes the current tests for flame and arc resistant rainwear. Seams are sewn and welded, making it virtually indestructible and not affected by greases, oils or hydrocarbons, yet comfortable to wear.

**High Visibility per ANSI 107**  
**Electric Arc Rated per ASTM 1891**  
**Saturn Yellow & Blaze Orange**
